Lakeland Community Theatre

36th ANNIVERSARY SEASON 2021-2022

WE CANNOT DO IT WITHOUT YOU!

One key element of Your Community Theatre's mission is to offer a high quality theatrical experience at an affordable price. This mission and promise to our community is one central reason why we exist. The fact is individual ticket sales account for less than half of our annual operating cost.

Your Community Theatre is grateful and so appreciative to those generous individuals, businesses, corporations and foundations that have made donations, gifts, grants and sponsorships, as well as support of our general operating budget. Their generosity has made it possible to continue to offer our community the quality productions and programming you have come to expect, while maintaining ticket prices at an affordable level for ALL in our community...because that's our mission.

We express our appreciation and gratitude to the following:
